

Business and Organization Memberships

In addition to general membership privileges, your group has access to:

- State-of-the-art Television studio for professional development.
- Discount rental rate to use our private, fully-equipped conference room.
- Free use of the entire facility for hosting networking events and small workshops.
- Frequent social media exposure.
- Daily on-air recognition on all three channels.

Other Services

DCAT Private Events

A great venue, right here in downtown Danvers! DCAT's space is available for corporate functions and events, holiday parties, birthdays, charities and fundraisers, private parties, and launch events.

DCAT Production Services

We edit DCAT-produced sports footage to create custom, professional, high quality sports highlight reels to set student athletes apart from their competition.

DCAT Community Bulletin Board

All local non-profit and community organizations may submit announcements about their activities and events, and we will post them on all three of our channels.

Danvers Community Access Television Inc.

Dedicated to providing video and media production tools to encourage the free exchange of information and ideals of Danvers while bringing the community together through media production, instruction, and community collaboration.

Youth Programs

Summer & Vacation Clubs

A great way for children to be creative and learn about media production.

After School Programs

Multi-week clubs for Elementary-aged students who have fun while using their imaginations to create media productions.

DCAT Birthday Parties

An original way to celebrate your child's special day with friends and family. We have unique party packages for kids ages toddler to 13 years.

DCAT Internships

The benefits of a successful internship are immeasurable to both college and high school students. We value having interns in our friendly work environment. DCAT strives to make all internships specific to the student and their interests.
